Cranberry Sampler

By The Needle's Prayse

Class fee: \$50.00

Supply fee: \$89.00

A couple of close-ups:

Lynn will be holding classes

Saturdays 10:30—12:30

3 classes required

June 9—July 14—August 11

Many of you have purchased The Cranberry Sampler by Darlene O'Steen of The Needle's Prayse and have asked if we would offer classes to teach this magnificent sampler. We are happy to say yes! However, we can only offer it to those who have already purchased the chart because it is now out of print.

The colors and stitches in this sampler are glorious. In class you'll learn and have a chance practice Montenegrin, Detached Buttonhole, Satin, Chain, Reverse Chain, Roman, Double Back, Alternating Double Back, Rice, Double Running, Four-Sided, Queen, Double Hem Stitch, Reversible Cross, Diagonal Cross, Buttonhole Bar, Drawn Thread work (Lacis), and a really beautiful filling stitch called Spiral Trellis. You'll also learn many tips and tricks to better stitching.

Lynn has chosen 34 count Devonshire Cream linen and the suggested Soie D' Alger silks.

We'll be happy to assist you with your choice of linen, threads and any other supplies you may need.

This will be a two hour class held once a month for three months, June, July and August. This will give you a month to practice new stitches and techniques between each class. So come and stitch with us all summer long!

I'm Feeling my age!

Remember when Taylor was just a baby, jumping in his bouncer seat in the doorway at the store? Well...he is officially driving now! Thanks to Grandpa Jim, who has the nerves of steel, he is doing really well. Grandpa has even taken him on the freeway! I have been getting him out on the surface streets, and his Dad has been playing the "I'm busy" card, but we know he is just too nervous to drive with a beginner. It is probably flash backs from his teenage driving years!

A new Tatting Class

This class will be 4 weeks

May 3 -24

10:30—12:30

Class fee: \$40.00

Kit fee: \$30.00

Marsha has a passion for the art of tatting! She would like nothing more than to teach you her passion. Her class size is small, so you will receive personalized instruction. She teaches on an Aero tatting shuttle with removable bobbins and a hooked end. She always has a very fun class!
